PROFESSIONAL EXPERIENCE

MedicaidSoft – Remote Medicaid Specialist (Freelance) | Jun 2026 – Oct 2026

- Reviewed applicant documents for Medicaid long-term care (nursing home) applications for seniors, checking each file for completeness and accuracy
- Main point of contact for nursing home staff — answered questions, requested missing documents, and followed up until resolved
- Tracked applications, documents, and communications in Zoho
- Used AI tools (ChatGPT, Claude) daily to speed up document review and written communication

Activate Care – Denver, CO (Remote) Community Health Advisor | 2023 – 2025

- Managed a remote caseload by phone and digital tools, guiding clients through healthcare and social service systems
- Made and tracked referrals to community resources after needs screenings
- Kept detailed, compliant records of every interaction to meet billing and HIPAA standards
- Flagged gaps in processes and worked with leadership to fix them

Denver Health – Denver, CO Senior Care Navigator | 2012 – 2022

- Coordinated between patients, clinicians, and community partners — the go-to contact for complex cases
- Served Spanish-speaking patients and families daily; public face of the GI Cancer prevention program for Spanish-speaking communities
- Monitored daily team caseloads and assigned coverage based on demand
- Trained and onboarded junior staff on workflows and documentation standards
- Redesigned intake workflow for Gastrointestinal Cancer treatment, which became the department standard

- Earned the national **Lane Adams Quality of Life Award** (American Cancer Society, 2019)

Lem Springsteen (Music Producer) – Edgewater, NJ Personal Assistant | 2010 – 2012

- Managed calendar, appointments, correspondence, and day-to-day organization
