LinkedIn: linkedin.com/in/diogobarbosahealth
Trilingual: English, Spanish, Portuguese

PROFESSIONAL SUMMARY

Patient engagement and care navigation professional with 13+ years in the U.S. healthcare system — fully remote since 2023. Experienced as a first point of contact: listening, assessing urgency, solving what I can, and routing clinical concerns to the right team. Skilled at scheduling, keeping patients engaged in care, de-escalation, and emotional support for people facing hard situations. Accurate with patient records across EMR and CRM systems (Epic, Zoho) and comfortable switching between phone, text, and digital tools. Available for the Tuesday–Saturday or Sunday–Thursday Eastern schedule.

CORE SKILLS

- **Patient Engagement:** First-contact support, active listening, emotional support, de-escalation, motivational interviewing
- **Triage & Escalation:** Assessing urgency, routing medical concerns to clinical staff per protocol, follow-through
- **Care Coordination:** Scheduling visits, improving attendance, removing barriers that keep patients from care
- **Documentation:** Accurate patient records in Epic EHR, Zoho, and CRM platforms; HIPAA
- **Technology:** Phone, SMS, EMR, telehealth tools, Google Workspace, Microsoft 365, AI tools (ChatGPT, Claude) — quick to learn new systems
- **Languages:** English, Spanish, Portuguese

PROFESSIONAL EXPERIENCE

MedicaidSoft – Remote Medicaid Specialist (Freelance) | Jun 2026 – Oct 2026

- First point of contact for nursing home staff — answered questions, requested missing documents, and followed up until each case moved forward
- Reviewed applicant documents for Medicaid long-term care applications, checking every file for accuracy
- Tracked cases and communications in Zoho; used AI tools (ChatGPT, Claude) daily

Activate Care – Denver, CO (Remote) Community Health Advisor | 2023 – 2025

- Supported patients fully remotely by phone and digital tools, building trust and keeping them connected to care
- Conducted needs screenings (SDOH) and connected patients to community resources and social services
- Documented every interaction accurately to meet billing compliance and service standards
- Flagged gaps in care plans and worked with leadership to adjust protocols

Denver Health – Denver, CO Care Navigator | 2012 – 2022

- Primary point of escalation for complex patient cases — assessed each situation and routed concerns to the right clinical team
- Helped patients through financial, language, and logistical barriers so they could attend appointments and complete cancer screening and treatment
- Provided emotional support and clear education to patients and families facing difficult diagnoses
- Redesigned intake and navigation workflows for Gastrointestinal Cancer treatment, which became the department standard

- Trained and mentored junior navigators on workflows and documentation in Epic EHR
- Earned the national **Lane Adams Quality of Life Award** (American Cancer Society, 2019)
