PROFESSIONAL SUMMARY

Member and patient advocate with 13+ years of healthcare support and care navigation in the U.S. — fully remote since 2023. Experienced as a first point of contact by phone and digital channels: understanding the need, resolving it at first touch when possible, and escalating to the right team with clear, complete case notes when not. Strong in eligibility questions, scheduling and referral follow-up, de-escalation, and accurate documentation across multiple systems (Epic EHR, Zoho, CRM platforms, Google apps). Follows SOPs carefully — and has written them. Available to start January 11.

CORE SKILLS

- **Member Support:** First-contact phone and messaging support, first-touch resolution, empathy, de-escalation
- **Navigation & Advocacy:** Scheduling, referral and appointment follow-up, connecting members to the right services
- **Eligibility & Coverage:** Medicaid eligibility documentation, helping people understand what they qualify for
- **Escalation & Case Notes:** Clear handoffs to clinical and operations teams, complete documentation, follow-through
- **Process:** Following SOPs and workflows, flagging recurring issues, workflow design and improvement
- **Technology:** Epic EHR, Zoho, CRM platforms, telehealth tools, Google Workspace, Microsoft 365, AI tools (ChatGPT, Claude) — quick to learn new systems
- **Compliance:** HIPAA, member confidentiality

PROFESSIONAL EXPERIENCE

MedicaidSoft – Remote Medicaid Specialist (Freelance) | Jun 2026 – Oct 2026

- First point of contact for nursing home staff — answered questions, requested missing documents, and followed up until each case was resolved
- Reviewed applicant documents for Medicaid long-term care eligibility, checking each file for completeness and accuracy
- Tracked every case and communication in Zoho; used AI tools (ChatGPT, Claude) daily to work faster

Activate Care – Denver, CO (Remote) Community Health Advisor | 2023 – 2025

- Supported members fully remotely by phone and digital tools, guiding them through healthcare and social service systems
- Conducted needs screenings (SDOH) and connected members to the right community resources and services
- Documented every interaction clearly and accurately to meet billing compliance and service standards
- Flagged gaps in protocols and worked with leadership to improve them

Denver Health – Denver, CO Care Navigator | 2012 – 2022

- Primary point of escalation for complex patient cases — gathered the full picture, then routed each need to the right clinical or operations team
- Coordinated scheduling, referral follow-up, and communication between patients, clinicians, and community partners

- Supported patients with sensitive needs through financial, language, and logistical barriers to complete cancer screening and treatment
- Redesigned intake and navigation workflows (SOPs) for Gastrointestinal Cancer treatment, which became the department standard
- Trained and mentored junior navigators on workflows and documentation in Epic EHR
- Earned the national **Lane Adams Quality of Life Award** (American Cancer Society, 2019)
