DIOGO BARBOSA

Belo Horizonte, Brazil (U.S. Citizen) | +55 31 99800-7273 | diogobarbosa85@gmail.com
LinkedIn: linkedin.com/in/diogobarbosahealth
Bilingual English/Spanish (also Portuguese)

PROFESSIONAL SUMMARY

Bilingual (English/Spanish) care coordinator with 13+ years helping patients navigate the U.S. healthcare system — fully remote since 2023. Experienced in phone and virtual patient support, scheduling and follow-up outreach, connecting patients to resources, and escalating clinical concerns to licensed staff by protocol. Partnered daily with nurses, providers, and operations teams. Quick to learn new systems (Epic, Zoho, CRM platforms, AI tools) and comfortable working across several at once. Available for weekend shifts, holidays, and full-time training.

CORE SKILLS

- **Care Coordination:** Scheduling, follow-up outreach, resource connection, resolving non-clinical barriers to care
- **Patient Support:** Phone, messaging, and virtual support; de-escalation; calm, clear communication
- **Escalation:** Recognizing clinical or urgent concerns and routing them to licensed staff per workflow
- **Technology:** Epic EHR, Zoho, CRM platforms, telehealth tools, Microsoft 365, Google Workspace, AI tools (ChatGPT, Claude)
- **Languages:** English, Spanish (fluent, written and verbal), Portuguese
- **Compliance:** HIPAA, accurate clinical documentation, medical terminology

PROFESSIONAL EXPERIENCE

MedicaidSoft – Remote Medicaid Specialist (Freelance) | Jun 2026 – Oct 2026

- Point of contact for nursing home staff — answered questions, requested missing documents, and followed up until each case moved forward
- Reviewed applicant documents for Medicaid long-term care applications, checking every file for completeness and accuracy
- Tracked cases and communications in Zoho; used AI tools (ChatGPT, Claude) daily to work faster

Activate Care – Denver, CO (Remote) Community Health Advisor | 2023 – 2025

- Supported patients fully remotely by phone and digital tools, guiding them through healthcare and social service systems
- Conducted needs screenings (SDOH) and connected patients to community resources
- Helped patients overcome non-clinical barriers to care, such as paperwork, language, and access to services
- Documented every interaction accurately to meet billing compliance and service standards

Denver Health – Denver, CO Care Navigator | 2012 – 2022

- Coordinated care between patients, nurses, providers, and community partners — scheduling, follow-up, and resource connection
- Primary point of escalation for complex patient cases; routed clinical concerns to the right licensed staff
- Served Spanish-speaking patients and families daily; public face of the GI Cancer prevention program for Spanish-speaking communities
- Redesigned intake and navigation workflows for Gastrointestinal Cancer treatment, which became the department standard

- Trained and mentored junior navigators on workflows and documentation in Epic EHR
- Earned the national **Lane Adams Quality of Life Award** (American Cancer Society, 2019)
